Cayman Islands National Healthcare Conference

Healthcare 20/20

Exhibitor Sponsor Q&A Sheet

What is the cost to have wireless internet available in the conference area at a booth?

There is no cost; all delegates will have wireless internet access at their booths.

What size is the booth and what does it come with?

Each booth area comes with a 6 foot table, white linen, 2 chairs, a waste basket and water. You may request a 3rd chair if need be.

You may also place a trade-show display behind your booth section; you will have ten feet behind your table to fit your display and a depth of 6 feet in which to place any signage you would like behind your table.

Please note nothing can be hung from the ceilings or placed on the walls in your area.

If you are a Mini-Exhibitor you will share your space with 1 other company.

Will there be access to power outlets?

Yes, each booth will have access to power outlets.

How do I request other A/V needs for my booth space and enquire about cost?

Should you require other audio video facilities such as a plasma screen, a DVD player etc please contact the Ritz directly.
